AYUSH KUMAR

Bengaluru, Karnataka 560058
6207279496 | kayush3647@gmail.com | LinkedIn | GitHub | Portfolio

Technical Skills

Programming: C, C++, Java, Python, JavaScript, C# | **Frameworks:** React.js, Node.js, Express.js, REST APIs, MERN | **Cloud/Tools:** AWS, Google Cloud, Git, GitHub, CI/CD, Docker (basic), Linux | **Databases:** MongoDB, MySQL | **Concepts:** DSA, OOP, System Design Basics, SDLC, Agile

Summary

Software Developer with strong foundation in Data Structures & Algorithms and Full Stack Development (MERN). Experienced in building scalable applications using React.js, Node.js, and MongoDB with focus on performance, secure authentication, and cloud-ready deployment. Passionate about problem-solving and system design aligned with standards used in top tech companies and product startups.

Education

M.S Ramaiah University of Applied Sciences — **2025 – Ongoing**
Master of Computer Application — *Bengaluru, Karnataka*

Ranchi University, Ranchi — **2021-2024**
Bachelor of Computer Application — *Ranchi, Jharkhand*

St. Xavier's College — **2018 – 2020**
Intermediate, Percentage: 75% — *Ranchi, Jharkhand*

Projects

Real-Time Chat Application — React, Node.js, MongoDB, Socket.io

- Developed scalable real-time chat supporting 50+ concurrent users with ~200ms latency.
- Implemented **JWT** authentication and secure session handling reducing unauthorized access by 90%.
- Designed **REST APIs** with modular **MVC** architecture and optimized WebSocket communication.

Live Demo | Source Code

E-Commerce Website — MERN Stack

- Built responsive platform with product catalog, cart, and secure checkout workflow.
- Developed **REST APIs** for authentication, product, and order management with optimized queries.
- Implemented reusable React components and validation for production level reliability.

Live Demo | Source Code

Achievements

- **Social Impact**: Volunteered teaching coding, strengthened leadership & teamwork.
- **Competitive Programming**: Solved **400+** problems on **LeetCode | GFG | Codolio**
